

The Torch

**"Anchored
In Christ"
School Year
Theme for
2019-2020**

September, 2019

Dear Friends of Aquinas and St. Mary's,

Welcome back! I am excited to begin this new school year with our students, teachers, parents, and all of you! I hope that your summer was restful and rejuvenating, and you are ready for a new year of hard work and fun in the classroom and activities. We are already learning many new things this year about our Catholic faith and growing in our relationship with God.

The mission of Aquinas-St. Mary's Catholic is **"to provide a Christ-centered, learning environment to prepare students for future involvement in church, family, and civic relationships."** That is why parents choose to send their children to our Catholic schools. If we are not working towards this goal, we should not exist. I can tell you truthfully, we are succeeding in our mission to form young disciples in Christ. It is not about creating perfect human beings, but it is about making progress every day towards that goal. The task is not an easy one, especially since our faith and beliefs are so much at odds with the secular culture.

On the front lines of this spiritual warfare are our St. Mary's and Aquinas teachers. They spend eight hours a day and five days a week with our children to catechize them, answer their questions, and be models of Christian discipleship that cannot be replaced by anything else on such a regular and consistent basis. Our teachers work very hard to help our parents pass on the Catholic faith to our children. We are grateful to them, as are our school parents.

Aquinas & St. Mary's is blessed that we are able to worship God at Mass and adoration, receive His forgiveness in confession, engage in spiritual direction, and teach our students how to practice their faith now and when they are adults. The learning never ends, and a Catholic school education provides the best foundation for that life-long discipleship. There are alternatives like CCD, when a Catholic school education *is not available* to families, but there are no substitutes for it. There is no comparison between one hour a week and five days a week in classes taught by a priest, consecrated religious, or certified and trained lay teacher, and being immersed in a Catholic culture and climate.

We are able to do what we do as Catholic schools because of the faithful support we receive from our deanery parishes and other generous benefactors. Our deanery parishioners are responsible for nearly 60% of our \$3.6M annual budget, and we are grateful to all of you. The mission of the Catholic Church is to "teach the nations" (Matthew 28:19) and our parishioners help to fulfill that mission by the faithful financial support they give to their parish. Our Catholic schools are the best vehicle we have in our diocese and the David City Deanery for the transmission of the Catholic faith to our young people.

Please pray for us during this new school year and be assured of our prayers for you and your families.

Yours in Christ,

Jr. Sean M. Timmerman

Planned Giving Opportunities

SCRIP. Would you consider using Scrip in making your holiday purchases or in giving gifts? Employers, would you consider giving your workers Scrip gift cards? Participating retail vendors give Aquinas-St. Mary's a percentage of all sales purchased through Scrip.

Memorial Donation. Make a charitable contribution to Aquinas in memory of a loved one. More and more Catholic families are making substantial gifts or designated gifts to parish endowment funds and/or other areas in *memory* of parents and other relatives. Consider starting your own family endowment for Aquinas using the Catholic Foundation of Southern Nebraska, a free resource for our schools. Or contact Deb Svec at 402-367-3175.

Planned Giving. Bequests to your parish or the schools, gifts of real estate and life insurance, stocks, bonds and certificates of deposit can help perpetuate your faith commitment. Please remember the ongoing and long range needs which exist here at Aquinas. Contact Deb Svec at 402-367-3175 about becoming a member of our Heritage Club.

Life Insurance. Don't cancel life insurance you no longer need! Name Aquinas as the owner and beneficiary which can provide future financial support and possibly qualify for tax free benefits as well. Or instruct your life insurance agent to include Aquinas Catholic Schools as a primary or secondary beneficiary on your policies.

Will. Have you included Aquinas-St. Mary's in your will? Making a will isn't expensive! But not having one may cost your family a great deal. Please be a good steward of your resources by using wisely the Lord's gifts given to you. Make a will or revise the one you have if you haven't done so in the last five years. Including Aquinas as an extra child in your will is an easy choice to create a will that can benefit the family and our Catholic schools.

Residual of Your Will. Name Aquinas last. In your will after all your family and friends have been taken care of, name Aquinas as recipients of the residuary (the amount that is left).

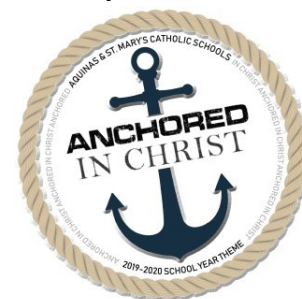

IRA. Do you have an IRA? Along with your children, include Aquinas-St. Mary's as an additional beneficiary. Contact your IRA trustee and ask for change of beneficiary forms to include your parish.

***The above mentioned ideas are for your consideration. Always consult your attorney in conjunction with your accountant/tax preparer in preparing a proper will and making of contributions to the Church in estate planning.**

Fr. Sean Timmerman

From the Principal.....

August 27, 2019

Dear Friends of Aquinas,

It is great to have the students back in the school. For those of us who work at Aquinas all summer, it's just not the same until you get the energy of the students in the building. The students are our reason for being here. Without them, we are just a building.

One of the biggest changes for the students from summer vacation to the school year is time management. During the summer, things tend to move slower, and there is always tomorrow. Once school begins, the students need to learn to manage their time. Deadlines present themselves every day. Middle school students experience the time crunch to a certain extent dealing with homework, activities and normal home obligations. We limit the time commitment for middle school students by holding all activity practices before the end of the school day. You can help by making sure they have a quiet place where they can do their homework without interruption. You can also make sure that they get a good night's sleep. Research shows that students sleep much better without cell phones, i-pads, etc. Do the best you can with that.

High School is a whole different animal. Students still receive homework but the assignments are usually a bit longer, and some projects and papers are assigned over a number of days. Practices are not only after school but also before school and in the evenings. Students have the opportunity to be in many activities at the same time, and many of our students follow this path. **Budgeting their time is very important.** Encourage them to get rest. They will want to attend every activity we have. We have something going on six days a week. The kids may not agree with you, but sometimes you have to keep them home. If they keep running and running, they will hit a wall, and that is usually about the time we have mid-terms or finals.

The opportunities we offer students are all good things. The old adage, too much of a good thing may apply here.

Bus Drivers Needed

Just once, I would like to start the school year without having to beg for bus drivers. This is not the year. Bus drivers are still needed. We currently run five routes in the morning and afternoon. Three drivers are contracted for both morning and evening routes, and three drivers are contracted for morning or afternoon routes only. We are currently covering one afternoon routes with a substitute that will be retiring in October. We need to hire another driver as soon as possible. We pay \$32 per route, and Fr. Timmerman has offered a \$1,000 signing bonus for a route driver. Please call Aquinas at (402) 367-3175 .

David G. McMahon

AQUINAS
MIDDLE SCHOOL

SEPTEMBER, 2019

Students discover cells, fossils, scientific method

Middle School Science has been settling in to the new year. We do daily Vocabulary practice with Friday weekly quizzes. We started the first two days of school with Station Labs to learn about the classroom layout, rules, the teacher, and each other. As we hit the books, the eighth graders are learning about Cells. We did a Microscope lab to learn how to correctly use a microscope. They are currently working on 3-D models of an animal or plant cell. Seventh graders are learning about fossils. They will be doing a big project displaying the three Eras and 11 Periods of Earth's history. Sixth graders are learning the seven steps of the Scientific method. We are doing smaller labs like "Are you square?" No we are not being rude; we were just measuring if we are taller than our arm span (tall), the same (square), or is the arm span more than our height (wide)? Now we are working on a Mold experiment to see what independent variable will make mold grow the most. We will be working on more labs dealing with graphing, measurement, and then we will start into life science. ~ Mrs. Mayo

Grade 6 Religion includes STARS requirements

Saint Thomas Aquinas Religious Service (S.T.A.R.S.) program is new to sixth graders as part of the requirements of Religion class. The purpose of STARES is to encourage voluntary service towards one's neighbor, found in the Church, school or community. Our hope is that service will be a habit, and part of the students' lives as Christians imitating Jesus. It hopefully will build the faith through reaching out to others in need in Christian charity.

Each student received the STARS information and the forms to report their service so take a look at the material. Each student is encouraged to do at least three service hours each quarter of the school year. This would give the student a 100% in the Service grade. (2 service hours would be 75%). This comprises 10% of the quarter grade in Religion. If you have questions, please contact Miss Fiala or any of the teachers.

St. Mary's Teachers, Students Embark On Another Great Year

Some exciting changes and additions have marked the beginning of the school year for many St. Mary's students and staff.

Music: With new music teacher, **Mr. Gabe Haberman**, came an adjusted schedule allowing 5th grade students to learn band instruments one year earlier than before. With guidance and direction from Aquinas band instructor, **Mrs. Helen Ostdiek**, they are off to the races with trumpets, drums, saxophones, clarinets, and more. Mr. Haberman has the younger grades "not missing a beat" from where Mrs. Mimick left off in music instruction. They come out of class clapping hands and tapping toes. Thank you to these two fine teachers for smoothly transitioning St. Mary's strong music program.

Virtues: The Virtues in Practice Program from the Dominican Sisters of Nashville will continue but will be presented on the first Friday of the month. We are still using a variety of presenters to help students hear the message from many folks in many different capacities—that virtues matter, and they help bring us closer to God. The Spiritual Committee of St. Mary's staff has planned a fun array of prizes for this year, so students (and families) should be ready for their first "homework" assignment that will come home in early September.

Math: Following some intense curriculum work this summer, teachers are putting some new math materials in place. Fifth grade has new text books, Kindergarten has new math journal activities, and third grade will complete the transition next year. All students are working to commit their basic facts to memory using a variety of strategies so that they will be more successful in their middle and high school math courses.

Uniform: We have begun our transition to align better with Aquinas. Students have two years to replace navy with black and light blue with gold. As items wear out or get too small, please change to the new colors. The mix is pretty colorful, but the students don't seem to mind.

Safety: The Safety Team is reworking the tornado drill to utilize the new storm room in the basement of the Holy Family Early Learning Center.

New Faces: In addition to Mr. Haberman and Mrs. Ostdiek (from Aquinas), **Ms. Patricia Koranda** joined St. Mary's to teach fifth grade, **Mrs. Alison Fozzard** moved from fifth to Kindergarten, **Mrs. Julie Sabata** joined the kitchen, and **Mrs. Anita Sisco** returned from the kitchen to para. We are blessed to enjoy each of their unique contributions to these positions.

We are always growing and changing as we look for the best ways to help bring our students closer to Christ and provide challenges of this academic environment. There is **never** a dull moment!

May God richly bless your families, our school, and supporters.

Mrs. Sarah Zook, Principal

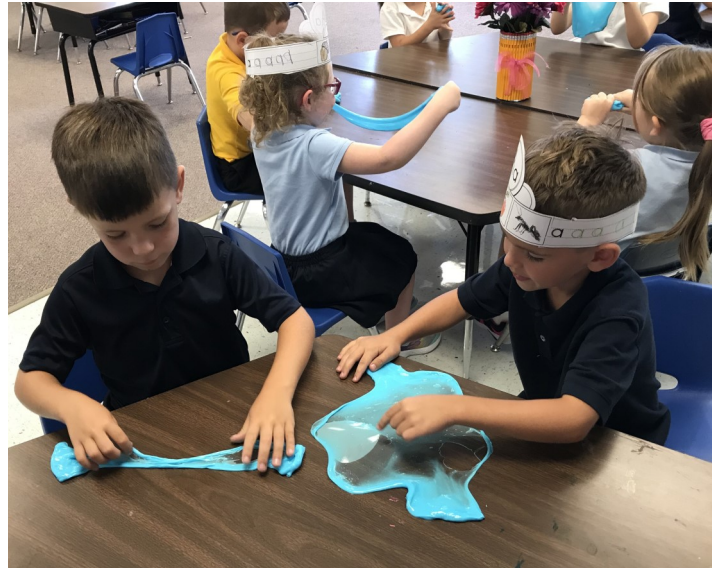

St. Mary's Catholic School

September, 2019

Kindergarden News

What a great first week of kindergarten! They have been learning a lot about the rules and routines of school. One of the highlights was making silly putty with three ingredients to represent the three persons of the Blessed Trinity in one God. The students had so much fun playing with it! (Right Photo)

~ Mrs. Alison Fozzard and Miss Katie Healy

Second Grade News

Our year is off to a very good start! The second graders have really picked up the routines in our classrooms! We have talked a lot of about RESPONSIBILITY, and how, as second graders, they will be able to start showing their parents and teachers how they can be responsible!

Second grade is a BIG year for the sacraments. The dates for these sacraments will be the following: First Confession- January 15 at 6:00 p.m.. and April 26 at 1:00 p.m. for First Communion. This is for the St. Mary's parish. If you choose to make one or both sacraments at your own parish, you will need to speak with your priest. There will be a meeting for ALL second grade parents at the end of October. The date will be sent to you soon!

~ Mrs. Carly Eller and Mr. Trevor Weiss

carly-eller@cdolinc.net

trevor-weiss@cdolinc.net

First Grade News

The First Graders are off to a terrific start. We are learning that God is our Father and because He loves us so much, He gives us everything we need. We should thank Him for all He has given us. (Above Photo)

~ Mrs. Jennifer Suehl and Mrs. Sandy Vavrina

St. Mary's Catholic School

September, 2019

Fifth Grade News

The fifth graders are doing well and are enjoying their new responsibilities as the oldest students at St. Mary's.

~Ms. Koranda and Mrs. Comte

Third Grade News

Third Grade students are off to a great start. We are settling in a routine. In most subject areas, the first part of the year is spent reviewing, but we have also learned quite a few new concepts.

In Math, we are reviewing addition and subtraction facts. We learned the *Commutative Property of Addition*. We sure feel like mathematicians when we use that term!

We are also working hard at learning cursive. Before we know it, cursive writing will be second nature!

We are looking forward to a great school year!

~Mrs. LaDonna Naiberk
and Mrs. Tina Janak

Fourth Grade News

Fourth Graders have already dug into their Science FOSS units and their Nebraska History. In fourth grade, we spend one semester on Science and the other on Nebraska History. Mrs. Smith's class is uncovering the different layers of soil in their Rocks and Minerals FOSS Science unit. Ms. Ridder's class is learning about our state's symbols varying from our state fossil (the mammoth) to our state American Folk Dance (the Square dance). We are eager to learn more about Science and Nebraska History as the year continues! (Above Photo)

~ Miss Ellen Ridder and Mrs. Julie Smith

Seniors and their Parents

Watch your emails for information from the Career Counseling Office. There have been several emails sent out already this school year.

Important Dates and Events:

October 3: Educational Planning Program at Columbus Community College
1:00-3:00 p.m. All Aquinas Grade 12 will be attending.

October 23: During Tri-Councils, a financial representative will be available in the gym for questions about FAFSA and the financial planning for college, 5:00-6:00 p.m. From 6:00-6:30 p.m., the representative will have a large group session in the Library.

Also in October, we are planning an “Apply to College Day” for the Seniors. Date and details will be in the Senior Parent Emails.

Why We Prep **OnTo College** with John Baylor

Aquinas High School is in the fourth year of offering the John Baylor Prep “On to College” Program. The program features a series of videos offering review and testing strategies in areas of English, Reading, Science and Mathematics. Each video session assigns 10-20 minutes of homework to be completed before the next session. Students are attending JBP once a week during the school day and have been given a log in /password giving the 24/7 access to the material at www.johnbaylorprep.com.

Baylor explains his program as 80% content, 10% test-taking strategies and 10% motivation. Motivated students can expect to see a 2-3 point jump in test scores, motivation to prepare for their future, and an overall improvement in academic work. A reluctant student will pick up on catchy phrases used and strategies that can improve their academics.

Feb. 15-17, 2020 Wahoo Neumann - open to second semester Sophomores!

April 4-6, 2020 Camp Kateri, McCool Junction--second semester Sophomores welcome!

June 6 - 8, 2020 David City Aquinas High School--open to second semester Sophomores!

September, 2019

Dear 2020 Seniors and Parents of 2020 Seniors,

This year your son/daughter is a senior. One of the most lasting and treasured reminders of this year will be the senior pictures which will be taken over the summer or the first part of the school year. You will be responsible for getting the following senior pictures to Mrs. Pokorny by **November 1, 2019:**

You need to have your photographer email your colored formal pose picture in a vertical billfold sized JPEG file at 250 dpi to me for the yearbook, composite, alumni board, press releases, and class video. This picture should be the colored formal indoor pose with a plain background. (This should be a head shot with no hands visible please.) You are responsible for making sure the school has this by November 1st. They may email this to Mrs. Pokorny at teresa-pokorny@cdolinc.net

If we do not have your prints by November 1st, you may miss out on being in the composite, yearbook, etc. or have to pay for the late fee to be included. Be sure to schedule for your pictures to be taken by September 1st.

As we at Aquinas should always strive to live up to Christ's example of modesty and Christian decency, we ask that no inappropriate pictures be submitted for publication.

This would include:

Females-no off-the-shoulder dresses or blouses

Females-no tops with an immodest/low cut; no spaghetti or thin straps on shoulders for dresses or blouses

Males-wear a collared shirt and tie. (A jacket is preferred but optional.)

**Nothing that goes against the current dress code, for example-tattoo/
body piercing, hair length, facial hair, etc.**

***Remember that by a colored formal pose, we are asking for a head shot with no hands visible in the picture. The background should be plain/one color and NO outdoor shots.**

Again, remember to have your photographer email your colored formal vertical pose picture in a billfold sized JPEG file at 250 dpi to Mrs. Pokorny by November 1st.

The administration reserves the right to refuse any portrait deemed unacceptable or immodest. Please read and follow the instructions we have provided and there should be no problems.

If you don't plan to have senior pictures taken, Ms. Brown will take a formal head shot picture, but this must be arranged with her before November.

If you have any questions, please contact Mrs. Pokorny at 367-3175. Best wishes and have an enjoyable summer.

Sincerely,

Teresa Pokorny

Senior Class Moderator

There will only be one order placed during the 2019-20 school year.

BOOSTER CLUB MEMBERSHIP: In the coming months you have a chance to become members of the Aquinas Booster Club by using this sign-up sheet and sending back to Aquinas, or you contacting your parish representatives.

Individual Membership
Price- \$20.00

Basic membership and pocket schedules.

Business Membership
Price- \$30.00

Schedule poster, booster sign. Members printed on back of basketball programs.

Monarch Membership
Price- \$160.00

Family members get into all **Aquinas** events for the year.

GREAT Deal, admission prices are \$5.00 & \$4.00
Admission went up to \$6 adults and \$5 students.

Individual Monarch Card
Price- \$80

Gets one adult person into all **Aquinas** events for the year.

Gold Card
Price- Donation

Any **Aquinas Patron** over 65 can get one.
Send in name and address.

Detach along the dotted line and send to Ron Mimick, Aquinas High, PO Box 149, David City, NE 68632

Name(s) _____

Basic Membership _____ Price \$20.00

Gold Card _____ Price Free (donations accepted)

Business Membership _____ Price **\$30.00**

Monarch Membership _____ Price **\$160.00 or \$80.00 for an individual.**

Family members names needed for individual cards (these will be sent)

Detach along the dotted line, include check or money & send to: Ron Mimick, Aquinas,
PO Box 149 David City, NE 68632

200 Club

Aquinas Patron:

This is your opportunity to become a member of the Aquinas 200 club. This starts with your \$50 donation. Then after two hundred tickets are sold drawings are held.

If 200 tickets are sold there are ten drawings with seven winners each.
one- \$200 winner, one-\$100 winner and seven \$50 winners for all multiple drawings.
A person who has won on a previous drawing has the name put back in for the next drawing, so you can win multiple times and people have.

If you wish to join just send \$50 in to Mr. Mimick, and your name will then go into the drawing.

Yours,
Ron Mimick
Activities Director

Detach along the dotted line and send to Ron Mimick, Aquinas High, PO Box 149, David City, NE 68632
